

### **DJ Offthewall**

13 Years ago Thijs van der Wal a.k.a. DJ Offthewall started spinning House records. In 2005 he also moved to Amsterdam and has been living and spinning his music since then! He started spinning records at well known "Amsterdam" venues such as the "Odeon" and Hotel Arena. His specialty is long-after hour sets off the wall in the deep trenches the city embraces! He is always giving the people what they want as long as it is a variation of "House Music"!! For the 31<sup>st</sup> he already prepared a set with the best of the best tracks to warm the people up for the first three hours.

Next to that DJ Offthewall is also known in Amsterdam as a famous DJ that plays during the "DAS BOOT"-Event, which is held every Queens Day! He spins his tracks on a boat that goes through the canal! A small glimpse can be found below.
